

City of Bexley / Fall-Winter 2026

PILLS/BOTTLES

Oct. 24 10 a.m.-2 p.m.

559 N. Cassingham

As part of DEA Takeback Day, Bexley PD will collect prescription and over the counter tablets, capsules, softgels, and other types of pills in the Police Department front lobby.

Liquid products, syringes, sharps, and illicit drugs will not be accepted.

Empty pill bottles can also be dropped off for special recycling in partnership with Rumpke.

LEAVES

Beginning Oct. 26

Curbside

Crews will collect leaves left on the tree lawn. Please do not leave sticks, grass clippings, or other yard waste in these piles and do not place leaves in the street. This program is weather dependent and will end after three full collection cycles.

More information can be found at bexley.org/leafpickup.

Bagged leaves and yard waste are picked up on Mondays as part of Rumpke's route, but you're encouraged to leave the leaves!

PUMPKINS

Mondays, Nov. 5, & Dec. 3

Curbside and Bexley City Hall

Earth PeakSolutions will pick up pumpkins from curbside food waste recycling participants on Mondays, as well as November 5 and December 3.

All residents may leave pumpkins in the toters behind City Hall. Please do not leave pumpkins next to the toters. Pumpkins can also be dropped off at 1399 Brookwood to be enjoyed by wildlife.

Please remove candles, wax, and other decorations.

YARD SIGNS

Nov. 3-12

2100 Clifton Ave.

Dispose of corrugated plastic yard signs at the end of election season. Thank you to SWACO for partnering with us to host this event.

Place disassembled signs in the labeled location on-site. Paper signs can be recycled at home and thin plastic signs can go to film recycling drop off at retail stores.

LIGHTS

Dec. 1-22

2100 Clifton Ave.

We're partnering with the City of Westerville to offer string light and bulb recycling this year!

Please leave lights loose and unbagged in the designated receptacle. Florescent lights should be in long cardboard boxes.

STYROFOAM

Dec. 28-Jan. 7

2100 Clifton Ave.

This collection event is for clean expanded Polystyrene (e.g. packaging material and foam coolers); please refer to the posted signs and instructions.

Food containers, colored foam, egg cartons, and peanuts are not accepted. Remove tape, paper, and other contaminants.

This program is in partnership with SWACO.

TREES

Ongoing

Curbside

Christmas trees can be placed at the curb with yard waste on collection days. Please remove all lights, tinsel, and other decorations, and cut trees larger than 6 feet tall in two pieces.

Additionally, consider purchasing a replantable tree, or donating your tree to be enjoyed by wildlife at the driveway of 1399 Brookwood.
